

## Generic Interface Boards for Advantest Testers

| Board Part #      | Device Type | Device Pkg. | Device Pin Cnt. | Board Type | # of Sites | Socket                    |
|-------------------|-------------|-------------|-----------------|------------|------------|---------------------------|
| AT33AG-PIB-00     | UNIV        |             | 512             | PIB        |            |                           |
| AT33AG-PIB-01     | UNIV        |             | 512             | PIB        |            |                           |
| AT33AG-28DIPX4-00 | UNIV        | DIP         | 28              | DIB        | 4          | 300 mil DIP Socket        |
| AT33AG-PROBE-01   | UNIV        |             | 512             | PROBE      |            |                           |
| AT33AG-U25X35-00  | UNIV        |             |                 | DIB        |            | 100 X 100 mil Grid        |
| AT33AG-196PQFP-00 | UNIV        | PQFP        | 196             | DIB        | 1          | Yamaichi<br>IC53-1964-332 |
| AT3340-U301-00    | UNIV        |             | 256             | DIB        |            | 100 X 100 mil Grid        |
| AT53AG-U320-00    | UNIV        |             | 320             | DIB        |            |                           |
| AT53AE16-U501-00  | UNIV        |             | 160             | DIB        |            | 100 X 100 mil Grid        |
| AT33AG-IDS5K-00   | UNIV        |             |                 | EIB        |            |                           |
| AT33AG-IDS10K-00  | UNIV        |             |                 | EIB        |            |                           |

**EIB**  
E-Beam Interface Board

**PIB**  
Probe Interface Board

**DIB**  
Device Interface Board

**PROBE**  
Probe Card

**UNIV**  
Universal
